Don't think you have finished a race because you receive a diploma. In reality this pretentious document is merely a permit to begin a new lap in the race you have been running for years. A diploma is not a certificate of retirement from the inconvenience of required study. It is simply a passport which will allow you to go to new fields of experience, provided you will work your way.

Headmaster

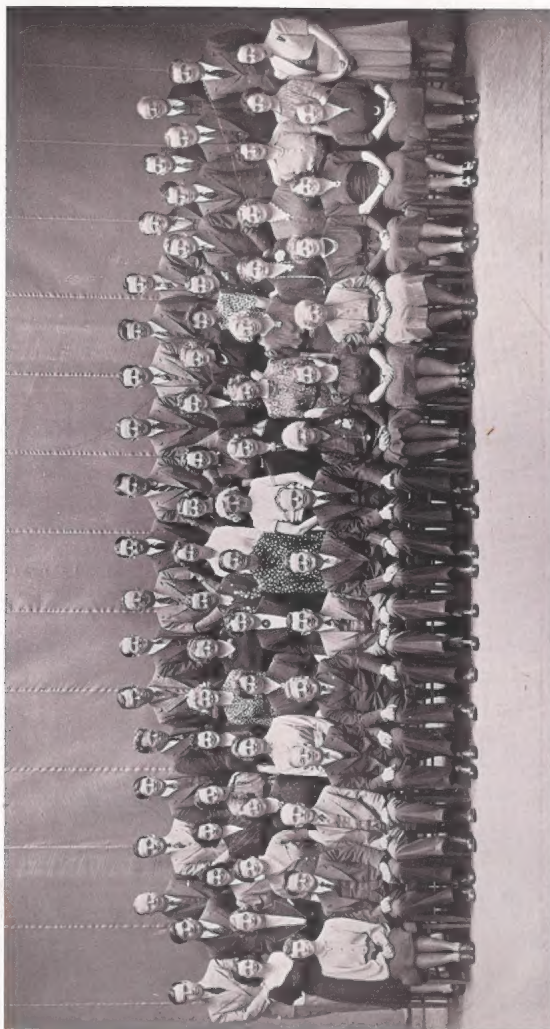

Charles E. Bleiler

You have accomplished one important step in your progress toward fulfilling the demands of life. Henceforth, let your words, thoughts, and deeds so reflect the ideals and attitudes indicative of an efficient personality that you will be an inspiration to your neighbor, a source of joy to your family, an asset to your community, and a value unto yourself. Let truth, love, honor, and courtesy dominate the patterns of your conduct; and may success be your reward.

1939-1940

The history, literature, and civilization of France.

"Now I want a specific illustration."

Embryonic Einsteins at work.

One of the busiest spots in the school.

"Double, double toil and trouble
Fire burn and cauldron bubble."

"You have the world at your finger tips. Speed it up, girls!"

"They love to see the flaming forge, and hear the bellows roar."

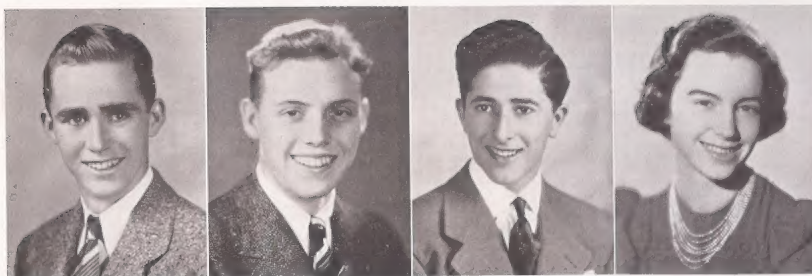

Women's hats—where so much goes into so little.

As ye sew, so shall ye reap.

Honor Students

The members of the senior class, the editorial staff, and the faculty are pleased to extend their congratulations to this group of students who by conscientious effort have attained an honor rating of 3.5 or better over a period of three successive years in this school.

While this group represents the largest number ever to be included in an honor group, it is felt that a few more may be added at the end of the fourth marking period. As in years past, the members of this group will receive gold medals at graduation as a reward for their excellent work.

The members of the honor group as of the end of the third quarter are as follows:

IRENE GINSBERG	JOSEPH FICARRA	MARJORIE PAULDING
GRACE O'BRIEN	DOROTHY McLEAN	ROBERT SUPPLE
PASQUALE SANTILLI	GASPAR SACHETTA	JEAN ROWELL
DEXTER ATKINSON	ESTHER SANTER	EDITH BLOOM
IDA MACLEOD	EDITH GANGEMI	MYER BOYARSKY
EMMA MOCCIA	WINIFRED DAVIS	JOSEPH POPIEL
INEZ MANUEL	RUTH GOLDMAN	HELEN THOMPSON
ROSE CAFASSO	HELEN McLEISH	WILLIAM McLAUGHLIN
FREDA KATZ	STUART MILES	MICHAEL PARISI
SYLVIA MILLIKEN	ROSE OTERI	MICHAEL TENAGLIA
ANDREW VINCHESSE	ANNA TRISCHITTA	

History of the Class of 1940

As freshmen the class of 1940 was under the leadership of Gaspar Sachetta, president of the Parlin Cooperative Government Association; William Landry, vice president, and Peter Merenda, secretary-treasurer.

This group of officers with the assistance of large and able committees ran several successful afternoon socials and assemblies while in the Parlin Junior High School.

Soon after the class entered the Everett Senior High School as sophomores, they elected as their class officers Gaspar Sachetta, president; Pasquale Santilli, vice president; Jeanne Connors, secretary; and James Cotter, treasurer. Robert MacGregory, Jean Rowell, and Winifred Davis represented the class in the School Council.

In its sophomore year the class of 1940 ran the first successful sophomore evening dance in the history of Everett High. The sophomore enrollment in the various clubs of the school was very large.

As sophomores the class of 1940 was represented in the prize speaking contest by Gertrude Moore and Gaspar Sachetta. Both gave commendable accounts of themselves. Gaspar Sachetta represented the class in the annual Boston College Prize Debate.

John Comerford, Fred Burnham, Daniel Frazier, Mario Gianelli, and Angelo Lepore of the class of 1940 received letters for outstanding work on the gridiron as sophomores. Among the sophomore tracksters were William MacMillan, Peter Merenda, and Stuart Miles.

On the baseball team Louis DiSabatino, Carl Johnson, Jack Comerford, Howard Brosseau, and Edward Fitzpatrick were outstanding as sophomores. Wilfred DeRosa, Jack Comerford, Louis DiSabatino, and Carl Johnson were promising sophomores on the basketball team.

The sophomore home room presidents for the class of 1940 were Gaspar Sachetta, Wendell Emerson, Rose Oteri, Wayne Beasley, Pasquale Santilli, Marion Stickney, John Hill, Arthur Barisano, Mary Abbene, Arthur Butler, William Campbell, Peter Merenda, Grace O'Brien, Robert MacGregory, William Days, George Memishian, James Cotter, Jean Rowell, Jeremiah Snow, Chester Barrington, and Eileen Blakeney.

Few sophomore classes enjoyed a more successful year than the sophomore class of 1940.

As juniors, the class of 1940 showed remarkable ability in several of the activities undertaken by the school that year. The success enjoyed by the junior class of 1940 was the result of an intelligent selection of its leaders, the strenuous efforts on the part of Miss Anne G. Hill to better the class, and the fine cooperation on the part of the entire class.

The junior class officers were Gaspar Sachetta, president; Pasquale Santilli, vice president; Jeanne Connors, secretary; and Peter Merenda, treasurer. These officers did a fine job of administering the affairs of their class in the junior year. Representing the class of 1940 in the School Council were Jean Rowell, Winifred Davis, Alma Anderson, and Robert MacGregory.

In the early part of the year, the junior class sponsored a dance that might well boast of the largest attendance at any of the dances held in the school that year.

In May the class promoted one of the finest Junior Proms run in Everett High in recent years. The Prom was held in the high school gymnasium amid lavish Oriental decorations, gayety, and laughter that will be long remembered by those attending. Those responsible for the success of the affair were: Gaspar Sachetta, general chairman, and Pasquale Santilli, Peter Merenda, Jeanne Connors, George Abagis, Michael Parisi, Robert MacGregory, Andrew Vinchesi, James Bognore, Sylvia Milliken, William Days, Mario Federico, Alma Anderson, Jean Rowell, Winifred Davis, Rose Cafasso, Josephine Turco, Inez Manuel, Pearl Neillsien, Nicholas Andros, Thomas Larkin, Elsie Taylor, Herbert Dunn, James Cotter, Wendell Emerson, Constance Malta, and Rose Oteri.

Several juniors were outstanding on the gridiron in the fall of the junior year. Among the most outstanding were Mario Gianelli, Anthony Lucci, Jack Comerford, Bill Harvey, Robert Fiorentino, Daniel Frazier, Angelo Lepore, Fred Burnham, Carl Johnson, Chester Pagliucca, Louis Amorosa, Arthur Barisano, Wilfred DeRosa, and Leo Flynn. Angelo LePore, Wilfred DeRosa, Chester Pagliucca, Carl Johnson, and Jackie Comerford were members of the basketball team.

History of the class of 1940—Continued

Among the best juniors on the baseball team were George Burnham, Jack Comerford, Louis DeSabatino, Michael Parisi, Leo Flynn, Charles McCarthy, and William Campbell. Lettermen of the track team in the junior year were William MacMillan, Daniel Luciano, and Peter Merenda.

Michael Parisi, James O'Donnell, Gaspar Sachetta, and Robert MacGregory were the active junior debaters in the junior class of 1940. The class was represented in the Prize Speaking Contest by Jean Ashley and Gaspar Sachetta. Both gave good accounts of themselves.

James O'Donnell, Gaspar Sachetta, and Michael Parisi represented their class in the annual Boston College Prize Debate. O'Donnell received honorable mention in this contest for a fine piece of work.

The junior class was also well represented on the Crimson staff. Among the juniors who did much to aid in a very successful initial year of the school paper were Gaspar Sachetta, Pasquale Santilli, Gertrude Kelly, George Abagis, and Nicholas Andros.

A good percentage of clubs of the school were from the junior class.

The junior home room presidents were Gaspar Sachetta, William Days, Herbert Dunn, George Abagis, Grace O'Brien, Robert MacGregory, Ruth Spencer, Mario Gianelli, Adrian Christofels, Inez Manuel, Warren Woodworth, Stephen DiDonato, Michael Parisi, Harry Thistle, Andrew Guarino, Robert Supple, and Pasquale Santilli.

In the junior year the class was twice saddened when John Manning and Kenneth Barry, both members of the class, passed away.

As the class of 1940 embarked on the last leg of its school career, it regarded faithful and efficient service by reelecting its class officers for the senior year: Gaspar Sachetta, president; Pasquale Santilli, vice president; Jeanne Connors, secretary; and Peter Merenda, treasurer. In the School Council are Jean Rowell, Winifred Davis, Alma Anderson, Robert MacGregory, and William Days.

Early in the year the class held the annual Senior Class Play. The play given for this affair was entitled "Fly Away Home." This function was a huge success.

The class inaugurated the year 1940 with its Senior Prom, which it held early in January. It was by far the most outstanding Prom that the school has seen in years. The gymnasium was entirely decorated by the students to look like a beautiful "Winter Wonderland."

In the annual Boston College Prize Debate the class was well represented by Gaspar Sachetta, Michael Parisi, James O'Donnell, and James Cotter. Gaspar Sachetta won the gold medal awarded by the Boston College Club of Everett. Michael Parisi received honorable mention for his part in the debate.

Gaspar Sachetta represented the school in the annual American Legion Oratorical Contest. James O'Donnell and Gaspar Sachetta represented Everett High in the annual Colby College Contest for Public Speaking, with Sachetta winning the second prize of seventy-five dollars.

The outstanding gridsters in the senior class were co-Captains Mario Gianelli and Anthony Lucci. Jack Comerford, William Harvey, Robert Fiorentino, Louis Amorosa, Carl Johnson, Wilfred DeRosa, Leo Flynn, and John Pini. Jack Comerford, Wilfred DeRosa, Chester Pagliucca, and Carl Johnson were among the best on the basketball team this year.

Captain George Burnham, Edward Fitzpatrick, Jack Comerford, Leo Flynn, Michael Parisi, and Fred Gibson have done fine work on the baseball diamond. Captain Bill MacMillan, Daniel Luciano, Peter Merenda, Stuart Miles, and Michael Parisi received letters for their work on the track team.

The School Council

The School Council, composed of both student and faculty representatives, works in close cooperation with the school authorities to promote student responsibility and school spirit.

This year the practice of presenting council-sponsored assemblies, which have proved so popular in the past, was continued. Seven such gatherings were held, with varied programs consisting of motion pictures, musical entertainments, and lectures. Thus the student body received additional cultural and educational opportunities beyond the regular curriculum.

Another important achievement of the council during the present year was the obtaining from the Stadium Commission of better seats for students at football games. The manner in which the student body reacted to the responsibility involved in such a privilege more than justified the council's efforts.

In April the council had the unusual privilege of holding the convention of the Eastern Division of the Associated Body of Student Councils of Massachusetts in its own school. A large number of representatives from the member schools attended, and the ensuing discussions and speeches made the occasion a mutually profitable and enjoyable one for all those present.

The council also sent delegates to one other Eastern Division convention and to the state convention, of which its own vice-chairman was president.

The following were officers of the School Council: Mr. Bleiler, chairman; Robert MacGregory, vice-chairman; Winifred Davis, secretary-treasurer.

Corregio, Mihovan, Woodman, Campbell, Harvey, Camello
DeLeo, Cantalupi, Daig, Tanner, MacGregory
Cianciulli, Lally, Pelosi, Mr. Hilyard, Cord, Cerullo, Swartz

Christmas Basket Committee

The work of the Christmas Basket Committee, enlisting as it does the assistance of both teachers and pupils, is a notable example of cooperative enterprise. Annually it offers concrete evidence to the community at large both of an increasing sense of civic responsibility among the students of the high school and also of an eager desire to aid the unfortunate of the city.

This year a policy slightly different from that of previous years was decided upon. It was considered desirable to restrict the number of baskets given and to increase accordingly the contents of each one. This also made it possible to set aside a sum of money for use throughout the year.

Preparations were begun early. Needy cases were investigated by faculty members working with student representatives. Home rooms and student organizations throughout the school staged every conceivable kind of sale to raise funds, climaxed in December by the annual Christmas Show staged by the committee itself, to which the student body responded with its customary enthusiasm.

The work of the Christmas Basket Committee culminated, after many hours of careful sorting and packing by the committee members and their many assistants, with the distribution on December 23 of one hundred baskets to families whose Christmas would otherwise have been a dreary one. Both city departments and business concerns generously contributed truck transportation on this occasion.

The committee was headed this year by Mr. Hilyard as faculty chairman, assisted by the following class representatives: Harvey Card, seniors; Francis Pelosi, juniors; Irma Schwartz, sophomores.

The Senior Class Play

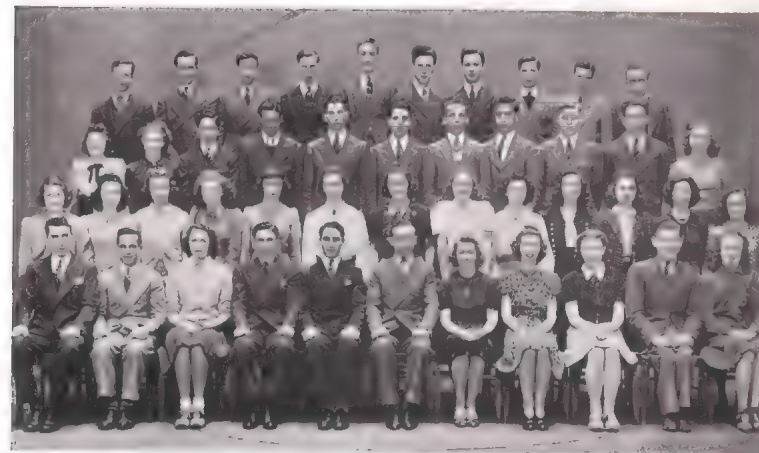

On November 24 the Senior Class presented "Fly Away Home," a three-act play described as "a boisterous yarn of how a father learns the facts of life from his precocious children."

As the curtain rose on the Masters' living room in Provincetown, a fishing town at the tip of Cape Cod, the very modern children were discussing with enthusiasm their mother's plans to marry Armand, an eccentric professor. A definite resentment against the father who had deserted his family fourteen years before was also apparent from the conversation.

Having heard of Nan's intended marriage, James Masters returned in the hope of winning back his wife, but met determined opposition from his children. At length, however, after a series of events had demonstrated his marked superiority to Armand in all things practical, James was once again accepted by his wife and children.

The cast of "Fly Away Home" follows: Nan Masters, Betty Paulding; James Masters, Arthur White; Linda Masters, Jean Ashley; Corey Masters, Thomas Larkin; Buff Masters, Pearl Neillssen; Harmer Masters, Nicholas Andros; Penny, Kathleen Graham; Tinka Collingsby, Betty Baxter; Johnny Heming, Harold Teeling; Professor Armand Sloan, Ralph Kaufman; Marie, Leone Bunn; Gabriel, James O'Donnell; Taxi Driver, Wendell Emerson.

The untiring efforts of Miss Marshall, faculty director of the play, and of Mr. Alden, financial director, contributed greatly to the success of the production.

The Senior Class Prom

Once again the Senior Prom proved to be the highlight of the social season at Everett High.

Both the seniors and underclassmen who attended this popular dance agreed that it was an unusually well conducted affair, a distinct credit to all those who participated in making it such a success that classes of the future may well find it difficult to improve upon it.

The sparkling "Winter Wonderland" scenes devised and executed by the members of the committee on decorations and members of the other committees that collaborated with them provided a most attractive setting and provoked much favorable comment among the guests.

Music for the occasion was furnished by Ned Marshall's Orchestra, always a favorite with Everett students. His carefully selected combination of "sweet" and "swing" satisfied the adherents of both.

The general committee for this annual function consisted of the following class officers: Gaspar Sachetta, Pasquale Santilli, Peter Merenda, Jeanne Connors, Winifred Davis, Robert MacGregory, Jean Rowell, William Days, and Alma Anderson.

Among the invited guests were Mr. and Mrs. Ashley, Mr. and Mrs. Sanborn, Mr. and Mrs. Bleiler, and Miss Anne G. Hill, recently retired administrative assistant of the Everett Senior High School.

DePco, Federico, Samuelson, Larkin, Duncan, Luciano, Costa, Crowell, Mulloy, Teeling, Parsons, Jancy Silverstein, Boyarsky, Ellis, Blanchard, Wholley, Taylor, Mullan, Lindner, Masiello, White, Petricca Snook, Anstrum, Chandler, Ashley, Miss Clement, Jacobson, McLaughlin, Ballard, Hall

The Dramatic Class

The Dramatic Class was organized in 1930 for the twofold purpose of stimulating interest in dramatics among the students of the school and of giving selected pupils the opportunity to gain, at various intervals throughout the year, actual experience before the footlights.

Regular meetings are held once a week during school hours, credit toward graduation being given those members who successfully meet certain requirements. During the early part of the year the members received training in such fundamentals of the dramatic art as enunciation, voice projection, etc.

In January, preparations for Drama Night, the major event on the Dramatic Class calendar, were begun. This year's program, which was presented on March 29, included the following plays: "Pygmalion and Galatea," a comedy in three scenes by W. S. Gilbert; "The Bathroom Door," a one-act farce by Gertrude E. Jennings; excerpts from Shakespeare's comedy, "The Taming of the Shrew"; and "Bimbo the Pirate," a one-act comedy by Booth Tarkington.

As winner of the competition a year ago, the Dramatic Class had the honor of playing host to the schools competing in the Massachusetts Drama Festival. The winners of this annual event, in which the Everett entry was "Pygmalion and Galatea," were Revere and Leominster.

The consistently high quality of the productions of this organization is a tribute to the untiring effort and energy of Miss Clement, its director for the past ten years.

The following served as officers: Martin Jacobson, president; Jean Ashley, vice-president; Barbara Chandler, secretary; and Claire McLaughlin, treasurer.

Cafasso, Jordan, Dunn, Koplan, A. Andros, McLaughlin, G. Abauis, Yancy, Sparr, Stevenson, Samuelson, Healy McKeeney, Murdock, DeLaria, Merenda, Bowser, Speirs, Tanner, Groppen, Bird, White, Haskell, DiMeo DeSalvatore, Santilli, Woodman, Callahan, Mr. Curtin, Kelly, Sachetta, LaRocca, MacGregory

The Crimson

Two years ago the students at Everett High received their first copies of "The Crimson," the newly created school newspaper. The success which this undertaking has achieved is best indicated by the fact that the publication now has a minimum circulation of fifteen hundred copies per issue.

Collectively, "The Crimson" is the chronicle of the school year. Each issue contains a wide variety of material, including stories of current activities throughout the school, timely and thoughtful editorials, interesting feature articles, and original literature by Everett High students.

The publication has already contributed much to the school it represents. Its efforts, combined with those of the School Council, have been largely responsible for the increase in school spirit. It has also proved valuable to the students as a medium through which they can express their views on questions of general school interest.

The members of the staff itself receive valuable training in many practical phases of journalism other than the actual writing of copy. During their work setting up the paper for its biweekly publication they become familiar with proof reading, headline writing, page composition, and many other technical aspects of publishing.

It is impossible to dismiss the subject of "The Crimson" without a word of tribute to Mr. Curtin, its faculty advisor. When the lack of a sponsor in the fall of 1938 threatened plans for publication, he generously volunteered his services. Ever since, he has spared neither time nor effort to make "The Crimson" an outstanding success.

The Girls' Glee Club

The Glee Club, directed by Miss Marshall, is the only musical organization in the school composed entirely of girls. Its members receive valuable training in singing and also enjoy many social gatherings.

The first activity of the year was a "get-acquainted" party, which took the form of an outing and frankfurter roast at Cedar Hill, Waltham.

With the preliminaries disposed of, the club began to make preparations for the remainder of the year's program, which scheduled, as usual, several assembly and outside appearances as well as the annual show.

The operetta presented this year was "Hollywood Extra" by Charles Wakefield Cadman, a tuneful story of a rural beauty's search for fame and success in the capital of the motion picture world.

The leading roles in this production, which proved a worthy successor to previous operettas, were sung by Carolynne Olson, Elizabeth Baxter, Eleanor McCool, Marjorie Paulding, Frances Canderazzi, and Barbara Tabor, assisted by Messrs. White, Ellington, Benton, Woodman, Sachetta, and Smith. The last six, of course, were not members, but volunteered their services.

Throughout the year the club has appeared on several different occasions at civic and social gatherings about town. Early in May a concert was given which added further laurels to an already long list.

The final meeting of the year was the spring party, at which the officers for 1940-1941 were elected.

The following club members will be lost by graduation: Marjorie Paulding, Elizabeth Baxter, Winifred Davis, Evelyn D'Eon, Frances McGrann, Barbara Pratt, Helen Veitch, Jeanne Connors, Carolynne Olson, Eleanor McCool, Dorothy Huggins, Marie Long, Sylvia Milliken, Helen Thompson, Betty Dodge, and Jeanette McAvoy.

The Gilbert and Sullivan Club

One of the most active and largest clubs in the school is the Gilbert and Sullivan Club, organized in 1935 by Mr. Ottavio J. DeVivo. The facts that all the meetings of this organization are held outside of regular school hours and that its members receive no academic credit for their efforts make its popularity and success even more unusual.

During the year the club, which has a membership of about sixty-five, presented several radio and school assembly programs, all favorably received. Its rendition of favorite songs from Victor Herbert delighted many an audience throughout the city.

Everett music lovers have learned to anticipate the annual production of the club, and this year's operetta, Gilbert and Sullivan's "H. M. S. Pinafore," more than justified their expectations. The leading roles were portrayed by the following: The Rt. Hon. Sir Joseph Porter K.C.B., Peter Merenda; Captain Corcoran, Robert Pywell; Tom Tucker, Josephine Turco; Ralph Rackstraw, Wallace Livingston; Dick Deadeye, Harvey Card; Bill Bobstay, Spencer White; Bob Bockett, Franclyn Ellington; Josephine, Nicoletta Romeo; Hebe, Caroline Carroll; Little Buttercup, Inez Manuel; Marine, Bernard Woodman.

The following seniors were prominent in the chorus: Ruth Goldman, Annette Juliano, Shirley Lloyd, Pearl Neilssen, Nicholas Andros, Harold Archer, Samuel Ciampi, Saul Cutter, Herbert Dunn, James Gluats, Ralph Luongo, Gordon Tanner and Arthur White.

The officers of the club were Peter Merenda, president; Franclyn Ellington, vice president; Franclyn Ellington, secretary; and Katherine Marshall, treasurer.

The Band and Orchestra

In its band and orchestra, both under the capable direction of Mr. DeVivo, supervisor of music, Everett High has two notable instrumental organizations.

The band, larger and better than ever before, was an inseparable companion of the 1939 football team, appearing in colorful array at both home and out of town games. After the gridiron season this group took its place as a concert unit. Its final appearance will be at the graduation exercises.

The orchestra has experienced so rapid a growth that it may soon be necessary to prefix the word "symphony" before its name. Already, with a few exceptions, it includes a complete symphonic instrumentation.

Its appearances this year were almost too numerous to mention. In addition to playing at every conceivable function within the school, the orchestra performed before many civic gatherings, including the inaugural of Mayor Frank E. Lewis.

Seven members of its string section were chosen for the All State High School Orchestra, which presented a program at Jordan Hall in March.

The Lyceum and The Debating Team

The Lyceum and the Debating Team are actually father and son. The former, which was founded over fifty years ago by the late Wilbur J. Rockwood, former principal of Everett High, is composed of boys interested in public speaking and debating. The latter is composed of the Lyceum members who participate in the formal speaking activities of the club.

The only home appearance of the debating team in inter-scholastic competition was against Revere High School on the question of a third term for President Roosevelt.

Gaspar Sachetta monopolized most of the speaking honors for the year. He was the Everett representative in the Annual American Legion Oratorical Contest and also won the gold medal awarded each year by the Boston College Club of Everett for general excellence in debating.

The following served as Lyceum officers: Gaspar Sachetta, president; James O'Donnell, vice president; Michael Parisi, treasurer; John Gramstorff, treasurer.

The Science Service Club

With a larger membership than ever before in its history, the Science Service Club, under the direction of Mr. Edward S. Bryant, head of the Science Department, has just completed the seventh year of its existence.

The object of this club is to be of service to those pupils who are interested in science. At the time of its organization it was felt that there must be many students desirous of gaining additional knowledge in the field of science. Its continued popularity ever since has more than justified its creation.

Monthly meetings were held throughout the year. The programs at these gatherings were widely varied, having in common only some definite relationship to science. At some, educational and constructive motion pictures portraying some aspect of science were shown; at others, various club members presented simple scientific demonstrations; at still others, the pupils had an opportunity to become familiar with the chemistry of candy-making.

The club also cooperated with the Christmas Committee in raising funds for the Christmas Baskets.

Another yearly practice continued was the presentation to the school library of a useful book dealing with science. In this way it is hoped to make more adequate the facilities for those who wish to conduct individual investigations on this subject.

This year the Science Service Club held a magazine auction, the proceeds of which are to be used for the club's annual banquet at the close of the school year.

The officers were Josephine Pavone, president; Pearl Montgomery, first vice president; Editha Johnson, second vice president; Sophie Peterson, secretary.

The Girls' English Club

The thirtieth year of the Girls' English Club has come to a close, with Everett High as proud as ever of its oldest girls' club. This year, as for the last nine, Miss Ethel M. Kelley has been the faculty advisor.

The membership of the English Club consists of senior and junior girls. To be eligible, the students must have maintained at least a "B" average in English for the preceding year. The president and the vice president are elected from the seniors, while the secretary and the treasurer are chosen from the juniors.

The purpose of this organization is both educational and social. Consequently the monthly meetings combined discussions of various outstanding works in the field of literature, with social gatherings. In addition, the club members were encouraged to avail themselves of every possible outside opportunity to become more familiar with great literature.

At Christmas time the girls in this group continued the custom of making attractive scrapbooks to be presented to the Whidden Memorial Hospital. They also contributed to the Christmas Basket Fund.

Another important activity of the club was the gift of several worthwhile books to the library. This practice was inaugurated some years ago, and the resulting collection on the English Club shelf has become quite impressive. Nearly all types of literature and many important authors are now represented there.

This organization will conclude its program for the year with its annual outing in June, always an eagerly anticipated event.

The officers of the 1939-1940 group were Gertrude Kelly, president; Alma Anderson, vice president; Jeanne Connors, secretary; and Virginia Dorris, treasurer.

Haskell, DeLaria, Dorris, Welch, Yannaco, Desmond, Laskey, Powers, Chisholm, Ragucci, Conners, Howard, Chavis, Smith, Cafasso, Ingersoll, Willard, McKenney, Silverstein, Davis, Rowell, Campbell, Spacer, Milliken, Santer, Goldman, DeLeo

The Writers' Club

The Writers' Club was founded in the fall of 1929 for the dual purpose of encouraging in its members an appreciation of great literature and discovering, perhaps, some hidden talent for writing.

This year, because meetings could not be arranged during school hours, the club held its regular sessions on the first Thursday afternoon of each month. At these meetings the various types of writing were discussed, and original efforts by the members were constructively criticized by the group.

One of the important activities of the club was a contest in poetry writing. Miss Gindele and Miss Crocker, who acted as judges, awarded first prize to Sylvia Milliken, second prize to William Spacer. The poems of Winifred Davis received special mention. Some of the better contributions were forwarded to the annual contest sponsored by "Scholastic Magazine."

Much time during the year was also devoted to a consideration of the short story and the essay. The members were encouraged to try their hand at writing at least one of these popular types of literature.

At the December meeting a social appropriate to the Christmas season was held under the capable direction of Madeline Willard, Eunice McKenney, and Ciro Yannaco. Jean Rowell was the winner of the prize awarded for the best holiday verse.

The club is fortunate in retaining the interest of several alumni, especially that of Mr. Jackson Chisholm, who has donated prizes for the past three years.

The slate of officers comprised William Spacer, president; Sylvia Milliken, vice president; Jean Rowell, secretary; Mary Campbell, treasurer; Rose Cafasso, librarian. The executive board included Esther Santer and Winifred Davis.

Ricci, Speirs, Andros, Atkinson, Mullen, Foti, Nakashian, Hansen, Williams, Burke, Hampton, DiMeo, Demers, Bird, DiBiaso, Bishop, Mr. Whittemore, Roberts, Murdock, Bond

The Camera Club

Under the direction of Mr. Whittemore, its faculty advisor, the Camera Club has completed the most successful year in its existence.

This club was organized during the school year of 1937-1938 with a membership of nine. Since that time it has steadily increased in size, until at the present time it numbers twenty-two members, constituting the most active group it has ever had.

The purpose of this club is to help students who are interested in photography to acquire a greater knowledge of the subject and to encourage them in the practical application of the information thus secured. In this way they develop a hobby which can be pursued beyond their years in school.

During the present school year all the members of this organization had an opportunity to learn, in many cases through actual experience, the fundamentals of developing, printing, and enlarging. Original efforts in these various fields were made the subject of constructive criticism and comment by the group as a whole.

Several trips were conducted this year for the purpose of obtaining pictures, and also several evenings which included entertainment of a photographic nature were spent at the homes of different members.

It is the aim of the Camera Club to provide as soon as possible a dark room at the high school for the use of its members who do not have adequate facilities of this sort in their homes. Such a project should stimulate an even larger membership in the club.

The officers for 1939-1940 were as follows: Lee Roberts, president; Leonard Bishop, vice president; Phyllis DiBiaso, secretary; and Charlotte Murdock, treasurer.

Breen, Colburn, Stickney, Wholley, F. O'Brien, Sapienza, A. DeAgasio, K. DeAgasio, A. Lapidus, G. Lapidus, Miss Gindele, W. Demb, Fine, E. Demb, Fandel, Doherty, Sarjeant, Shannon, Neilssen, Christensen, Cafasso, G. O'Brien, MacLeod, Smith, Santer

The Library Staff

The Library Staff consists of twenty-four girls who assist the librarian in handling the work of the library and who must maintain a high scholastic rating.

Each girl spends a minimum of one period a week in the library. During this time, she mends books, arranges them on the shelves, or charges books. Overdue notices and articles for "The Crimson" are attended to by the girls under Miss Gindele's supervision.

In November the staff sponsored the second annual second-hand book sale, the proceeds of which went to the Christmas Basket Fund and the Christmas Assembly Fund of the School Council.

Each year the Library Staff takes advantage of the cultural opportunities afforded by Boston's many institutions. In November they attended the Book Fair, and later visited Harvard's Agassiz Museum, the home of the glass flowers, and the Isabella Stewart Gardner Museum.

In addition to these activities, there were several parties. In the fall the new sophomore guest-members were entertained in the suite of rooms, and in May those receiving the required grade were given permanent membership and the privilege of wearing the staff pin.

A pop concert, to which the alumnae were invited, and a picnic at Winthrop Beach completed the year's activities.

Grace O'Brien served as president of this group, while Rose Cafasso acted as secretary-treasurer.

The Chemistry Club

The Chemistry Club of the Everett Senior High School, which is sponsored by Mrs. Holt of the faculty, is composed of chemistry students who wish to pursue the subject beyond the scope of their ordinary classroom work.

The regular meetings of the club were held on the second and fourth Monday of every month. These were devoted for the greater part to the presentation by various club members of interesting and instructive experiments in some vital phase of chemistry. Lectures on topics of current importance supplemented these demonstrations.

In addition to these activities at school, the club visited several industrial plants where they had the privilege of witnessing the application to everyday life of the principles of chemistry taught in the school laboratory. Included in these trips to see chemistry at work were visits to the Malden Gas Company, the American Sugar Refinery, the Warren Pipe Company, and the Monsanto Chemical Works.

This method of presenting the subject as a social and intellectual experiment rather than as a routine classroom study develops a better knowledge of chemistry in all its implications and fosters original thinking along scientific lines. Thus the realization that chemistry is of tremendous practical importance becomes inescapable.

The club also presented its annual gift to the Science Department and made a material contribution to the Christmas Basket Fund.

The following officers served during the present year: Albert Jones, president; Harold Larsen, vice president; Beverly Ullian, secretary; Arthur Andros, treasurer.

*Wolfson, Finn, Welch, Kane, Turco
Gangemi, Higgins, Schwerdt, Manuel, Medbury, Tarmy

The Spanish Club

Once again the Spanish Club, under the supervision of Miss Agbay of the faculty, has completed a profitable and thoroughly enjoyable year.

Meetings, conducted for the greater part in Spanish, provided opportunity for many interesting and informative discussions of the customs and language of Spain.

The two affairs deserving special attention were the Christmas party, celebrated in true Spanish style even to refreshments, and the meeting at which Thelma Morales, Panama student at Emmanuel College, gave a vivid and interesting account of her native country, its customs, and its characteristic dances.

In conjunction with the students of all the Spanish classes, the club sponsored its annual Pan-American exhibit in the library. This exhibition was made up of articles representing all the Pan-American countries and afforded the student body a valuable opportunity to learn more about its American neighbors.

On April 11 the club held a fitting observance of Pan-American day. The final meeting was in honor of the senior members.

The executive committee which served so capably throughout the year comprised the following: Norma Duncan, president; Ruth Goldman, vice president; Mary Kelleher, secretary; and Selma Shaffer, treasurer.

The Italian Club

When classes in Italian were added to the curriculum three years ago, Mr. DeRubeis, the teacher of this subject, established the Italian Club. Any pupil electing this language is eligible for membership.

Regular meetings were held throughout the year, and the members were thus able to acquire information concerning Italy and its customs far beyond the possibilities of a limited class period.

The annual Italian Night, the result of months of arduous preparation and rehearsal, was presented this year on April 12, before a large and appreciative audience.

The first half of the program was devoted to the presentation of two one-act plays, "Telemaco il Disordinato" and "Agenore L' Indeciso." The cast of the former consisted of Claudio Cimini, Annette Juliano, Irene DeBlasio, and Arthur Stevenson; while the participants in the latter were Pasquale Santilli, Rose Oteri, Mario Federico, Gaspar Sachetta, Mary Tavilla, and Ella Petrucci.

The second half of the program was given over to a musical entertainment. Nicoletta Romeo, Frances Canderazzi, and Celeste Augello contributed delightful solos in Italian, and sixteen other club members presented the tarantella, popular Italian folk dance. The entire personnel of the club lent vocal support in the chorus.

The club activities, however, were not confined to those already listed. A basketball team participated in several contests with the boys from other school organizations. The spaghetti sale held in December resulted in the addition of a sizeable sum to the Christmas Basket Fund.

The following were officers of the club: Gaspar Sachetta, president; Arthur Stevenson, vice president; Mary Frisiello, secretary; and Irene DeBlasio, treasurer.

Dodge, Murphy, Mader, Ellington, Norman, Lloyd Erlandson, MacMillan, M. DeLeo, Furness, Pouchet, Andros, Lorette, O'Leary, Burke, Warren, Nordquist, Guarante, Furlong, Cafasso, Huggins, Welch, Mr. DeRubeis, Lewis Erlandson, T. DeLeo, DePiano

The Hi-Y Club

The Everett Hi-Y Club is the local unit in a national movement of tremendous scope. Sixty-five hundred such groups exist throughout forty-six states and have on their membership rolls over two hundred thousand high school boys.

The major purpose of this organization is character building. Membership in it is considered a valuable asset, not only because of the profitable training the boys receive individually, but also because of the united bond of friendship among its members.

The Hi-Y program is a comprehensive one, including many topics of special significance to high school students. Among these are such subjects as educational advancement, vocational guidance, leisure time projects, standards of personal conduct, social hygiene, racial and religious tolerance, and good sportsmanship.

At many of its meetings qualified speakers address the club on various topics of vital interest, after which the meetings are thrown open for questions and discussion. In this way the members have an excellent opportunity to express and exchange views and to formulate opinions based upon adequate evidence.

Other meetings are conducted in the form of panel discussions. Since these are entirely in the hands of the boys themselves, they do much to stimulate initiative and leadership.

During the past year the Hi-Y was privileged to hear many interesting speakers. Some of these were high school instructors from surrounding towns; others were students from near-by colleges. As a result the members came into contact with many different points of view.

The advisers of the club were Messrs. DeRubeis, Hutchings, and Brewer. The officers were Norman Welch, president; Lewis Erlandson, vice president; Thomas DeLeo, secretary; Arthur Huggins, treasurer.

Hemson, Furness, Parker, Parsons, Malta, Gillespie, Anderson, Solow, Huggins, Pelosi, Cantalupi, Mr. Putnam, Merenda, Tanner

The Sportsmen's Club

The Sportsmen's Club was originally organized in 1934 by a group of boys who wanted to develop their interest and skills in hunting and fishing to a point where they would be valuable as a leisure-time activity in later life.

After the graduation of this group the club was allowed to lapse in 1937 and remained dormant until an incessant demand among the students resulted in its reorganization in the spring of 1939. The club now constitutes one of the most enthusiastic groups in the school.

Some of the activities in which its members participate are skeet shooting, which is a shot-gun target game; fishing trips to many of the best trout streams in the state; and the propagation of fish and game, which are subsequently released in the streams and woods of our vicinity.

The members also make artificial lures for fishing and develop skill in bait casting and fly casting, the two most sporting methods of taking fish.

At the meetings of the club, which are held twice monthly, members are required to present original papers covering their investigation and research into various phases of hunting and fishing. Thus they gain important knowledge of really practical value.

One of the outstanding annual events on the Sportsmen's Club calendar is the Fathers and Sons' Banquet, held this year during January. The feature of the evening was an address by Mr. Henry Ahlin, president of the National Skeet Shooting Association, who traced the development of skeet from its earliest beginnings on the marsh in West Everett to its present status as a nationally popular sport.

The club is fortunate in having as its director Mr. Lenox B. Putnam, a true sportsman in every sense of the word.

The Parlin "P" Organization

The Parlin "P" Organization was reorganized in 1938 under a new constitution. It is now divided into three groups: the active chapter, which is made up of all Parlin "P" recipients in the Everett Senior High School; the alumni group, which is composed of the former winners of the award no longer in school; and the executive board, which includes the principal of the Parlin Junior High School, four faculty advisers, the officers of the active group, and a representative from each year the award has been given.

This year was a very successful one for the Parlin "P" Organization, its first activity being the presentation of a Christmas basket to a needy family of Everett.

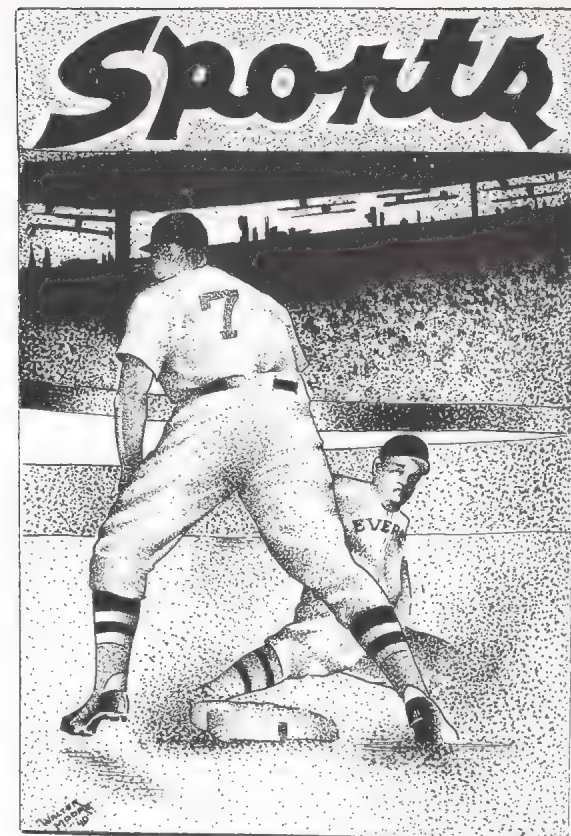

In February an enjoyable Parents' Night was held. Members of the club presented an excellent entertainment, which was followed by refreshments and a social hour.

Later in the year the organization gathered in the Carl D. Lytle Auditorium to hear an interesting address by Miss Carla Paaske, president of the executive board.

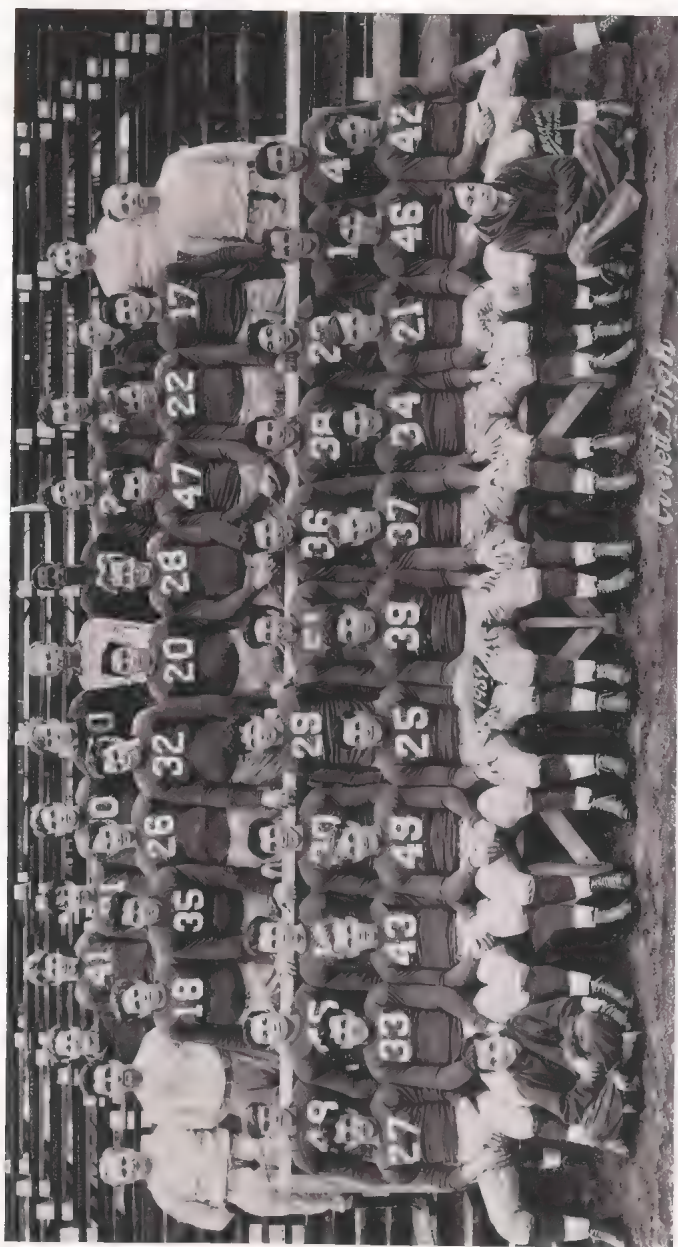

On March 5 the Parlin "P" and the Blue Crescent, also of Everett, jointly sponsored an evening of entertainment at the First Congregational Church. The following members participated in this successful show: Jean Ashley, Charles Furness, Albert Jones, Sylvia Milliken, James Cotter, George Wilson, Anne Littlefield, Mary Lindner, Robert Healey, Madeline Willard, Nicoletto Romeo, Helen Hall, Lelia Sapienza, Marilyn Silverstein, Michael Parisi, and Marial Boyarsky.

In June a reception tea for all new winners of the Parlin "P" will be held.

The officers of the organization were as follows: Jean Ashley, president; James Cotter, vice president; Jeanne Connors, recording secretary; Norma Duncan, corresponding secretary; Pasquale Santilli, treasurer.

Football

Once again the Everett High football team, led by co-Captains Lucci and Gianelli, proved to be one of the most formidable gridiron powers in the state. In a schedule of nine games the Crimson eleven achieved the proud record of seven victories, one tie, and one defeat.

Everett demonstrated its power early in the season as Lou Amorosa ran wild to defeat an ambitious Leominster team 13 to 0. An off-tackle run by Leo Flynn for the only score of the game produced a 7 to 0 victory over Salem in the second contest of the year. Newton was the next victim of the Crimson by a score of 8 to 0, after a bitter struggle featured by the accurate passing of Jack Comerford.

Visions of an undefeated season came to an abrupt end when Manchester, New Hampshire, invaded Everett and defeated the local representatives 7 to 0. The Medford game, which followed, resulted in a scoreless tie.

The Everett eleven resumed its winning ways against Revere, crushing its smaller rivals under a thirty-one point shutout. After a triumph over Lynn Classical the Crimson maintained its supremacy over Malden by the narrow margin of one point, Lou Amorosa and Bill DeRosa accounting for Everett's seven point total. A decisive 18 to 0 victory over Chelsea in the annual Thanksgiving Day clash brought the season to a successful conclusion.

As a result of its record, the Everett team, directed as usual by Coach Gildea and his corps of capable assistants, finished second to Brockton in the contest for the state championship. The Crimson line, which restricted its opponents to a total of nineteen points during the season, was generally considered the best in the state.

Basketball

Despite a nucleus of only two regulars from a year ago and a very unimpressive start, the basketball team developed rapidly to become one of the best quintets that Everett has seen in recent years.

After losing five of their first seven games, the Crimson court representatives found themselves and proceeded to score seven consecutive victories. Chelsea snapped the string at seven, but the Crimson added another win in their final contest for a season's record of ten victories and six defeats.

Once again Everett competed in the North Shore Tournament held annually at Danvers. Having disposed of Lynn English, its first-round opponent, in impressive fashion, the Crimson five succumbed in the semi-finals to Lawrence, ultimate winner of the tourney, by the narrow margin of two points.

This Everett team was probably the most powerful offensive unit Coach Putnam has ever had. John Corregio and Mike DeLeo, co-captains for next year, led the scoring with 131 and 113 points respectively. Captain Comerford took time enough from his stellar defensive work to tally 82 points, followed by Carl Johnson with 66. Red Johnston, whose promotion from the second team in mid-season helped start the winning streak, scored 45. Boyarsky, Cantalupi, DeRosa, Pelosi, and Slotnick comprised the remainder of the squad.

CAPTAIN COMERFORD

Baseball

The printer's deadline and an unusually late spring make it necessary to deal in futures so far as baseball is concerned.

Prospects for a successful season seem rather good, since either a regular or an experienced substitute from the 1939 team is available for nearly every position. Jack Comerford and Carl Johnson form an excellent nucleus for the pitching staff, with Vic Finos again behind the plate. Captain George Burnham, Chet Pagliuca, and Mike DeLeo seem to be fixtures at shortstop, third, and second respectively. Leo Flynn and Carl McKinnon are the seasoned players in the outfield.

Fred Gibson seems to have an edge in the contest for the vacant first base berth, while Mike Parisi and Ed Fitzpatrick are leading the outfield aspirants.

Other candidates who may prove valuable to Coaches Gildea and Melanson are Harry Lang, Howie Brosseau, Gene Littlefield, Red Campbell, Alfie Cianciulli, and Norville Brady.

A difficult schedule of fourteen games has been arranged, including ten contests in the Greater Boston Interscholastic League.

Track

The track team has been handicapped throughout the year by a lack of balance. Only a few veterans were available from the preceding season, and the new candidates failed to provide sufficient reliable point-getters.

During the indoor season the Crimson forces competed in three dual meets, all of which were lost. They also participated in several interscholastic meets, with Captain Bill MacMillan's consistent performances in the 1000-yard run gaining him recognition as one of the outstanding performers in the state.

The more dependable competitors for the Everett squad included Kalman Kaplan in the hurdles, James Smith in the dashes, Peter Merenda in the 300, Herb Benton and Harry Foster in the 600, Captain Bill MacMillan and Stew Miles in the 1000, and Dan Luciano and Walter Moore in the field events.

Coach Gildea, assisted by Mr. Melanson, is now preparing for a busy outdoor season, where it is hoped the experience gained during a winter of competition will prove of value.

Girls' Basketball

This year a large group of girls came out for basketball instruction and practice. The girls were divided into three sections: sophomore, junior, and senior. During the season interclass games were played weekly.

At the last Tuesday meeting of the group a final game was played between the seniors and sophomores. The sophomores pulled through with a victory, winning the game 18 to 12.

A great deal of enthusiasm and fine sportsmanship was shown by all the girls. Considerable credit is due Miss Greene for her excellent leadership and untiring efforts.

Some of the outstanding players were: Mary Abbene, Dorothy Brown, Theresa Bishop, Norma Barbein, Gwendolyn Burke, Marion Breen, Irma Bird, Gilda Cardella, Ethel Dorney, Helen DeVico, Paula Fina, Ruth Finamore, Amelia Joykonis, Rita Jagiello, Margaret Lichtenberg, Marie Long, Dorothy McKearney, Antonino Mancuso, Frances Mullen, Barbara Munroe, Frances McGrann, Claire McLaughlin, Gloria Olson, Jean Rowell, Barbara Smart, Frances Sciarappa, Olive Snook, Evelyn Segeberg, Antonetta Toto.
